MACHINE INDUSTRY TO GATHER AT **BUMATECH FAIRS** IN BURSA

BUMATECH stands out as one of the most important gatherings of Turkey in this field, with a scope spanning from CNC machines to machine tools, from sheet metal processing machines to measurement control systems, from robots collaborating with humans to new generation software and automation. The increase in the number of exhibitors, commercial activities and visitors in recent years attests that the fairs figure among the top "brands" of the sector. Fairs stimulate industrial trade with the contributions they make to machine sales every year, and top the agenda of industry professionals in this year, as in previous years.

BUMATECH Bursa Machine Technologies Fairs, which expand their marketing network to secure new markets for the sector, are preparing to facilitate important business contacts and become an effective trading platform for those keen on opening up to new markets and increasing their existing market share, on **November 24 - 27, 2021**
